OFFICE OF THE EX-OFFICIO SECRETARY, REPRESENTATIVE ASSEMBLY LEGISLATIVE COUNCIL AND ECONOMIC CONFERENCE.

Mysore Economic Conference.

READ—

Paragraphs 58 to 67 of Government Order No. 1367-1426—C. B. 100-23-1, dated 27th October 1923, making the Mysore Economic Conefrence a permanent adjunct of the administration and laying down its main lines of work.

ORDER NO. REL. 142-218—E. C. 8-26-1, DATED 22ND SEPTEMBER 1926.

Under the Reforms graciously introduced by His Highness the Maharaja in 1923, the Mysore Economic Conference has become a permanent adjunct to the administration in matters pertaining to development work in the State. As a matter of convenience it has been divided, according to the nature of the questions to be examined into three Boards, *viz.*, Board of Education, Board of Agriculture and Board of Industries and Commerce, and each of these Boards is responsible for advising Government from time to time on all questions coming within its sphere.

In view of the declared policy of Government that increased attention and larger grants would be given to economic development work during the coming years, the question whether the lines of work fixed for the Conference in the Government Order of 1923 could be improved so as to make the Conference a more useful and helpful body than at present, was examined by Government. Government also took the opportunity of consulting the Economic Conference on this matter at the last session of that House in July 1926. The Conference laid down certain general lines of the modifications which in their opinion, were required in the organization. The details were worked out by a Committee consisting of the marginally noted gentlemen as members and presided over by Rajasabhabhushana Diwan Bahadur Sir K. P. Puttanna Chetty.

10 „ R. Ranga Rao (Secretary).

This Committee met on 9th August 1926, made a comprehensive review of the question, and have submitted a carefully thought out report to Government.

The main recommendations of the Committee refer to the frequency of the meetings of the Boards, the necessity for a Standing Committee, the desirability of reviving the appointment of Economic Superintendents, the need of co-ordinating the activities of the Government with those of the District Boards in respect of economic
